Does your child have any Medical / Special needs we should be aware of? (Please explain) . . .

As a parent, I give my child permission to participate in this Program. I realize that I must provide my own Health / Accident Insurance for injuries that my child may sustain while participating in this program. In my absence, I give the supervisor of the activity permission to obtain whatever medical treatment may be necessary in the event of an injury. I am aware that the Town of Topsham does not provide liability or medical Insurance to cover such injuries.
