 Does Your child have an limitations/restrictions we should be aware of?

I give permission for my child/self to participate in the following Topsham Parks and Recreation Activities. I realize that I must provide my own health/accident insurance for injuries that he/she/ I may sustain while participating. I do give the supervisor of the activity permission (in my absence), to obtain whatever medical treatment may be necessary in the event of an injury I am aware that the Town of Topsham does not provide liability or medical insurance to cover such injuries. I understand that photographs taken of Parks and Recreation Programs may be used by the Parks and Recreation Department for promotion of programs, classes or events to include brochures, posters or web postings.
