Does your child have any physical/emotional concerns that we should be aware of? \_\_\_\_\_

I give my child permission to participate in the following Topsham Parks and Recreation activity. I realize that I must provide my own health/accident insurance for injuries that he/she may sustain while participating. I do give the supervisor of the activity permission (in my absence), to obtain whatever medical treatment may be necessary in the event of an injury. I am aware that the Town of Topsham does not provide liability or medical insurance to cover such injuries. I understand that photographs taken of Parks and Recreation Programs may be used by the Parks and Recreation Department for promoting programs, classes or events to include brochures, posters or web page postings.
