

Town of Topsham
Request for Waste Fill

I hereby request waste fill from the Town of Topsham, and agree to the following conditions, if and when said waste fill is given to me:

1. I do hereby permit and allow the Town of Topsham, its agents and employees, and any and all private trucks and operators working for the Town, to dump waste fill on my property.
2. I hereby agree to assume all liability for damage which may be caused to my property, or to adjoining property in the process of the dumping, which may result from the dumping of said waste material in the area requested by me, and I will not hold the Town of Topsham, its agents, or employees, or any private owner or operator working for the Town of Topsham, responsible or liable for any damages or injuries, or death, which might result from or occur in the course of the dumping of said waste materials; and I further agree to defend and hold harmless the Town of Topsham for any money or expense, including but not limited to attorney fees, and cost that the Town of Topsham might incur as the result of property damages, personal injuries, or death, resulting to any person or property in the course of dumping said waste material.
3. I hereby agree to keep the proposed dumping area clear for trucks to enter without obstruction, and without causing damage to said trucks, this is also to include bulldozing of said waste material.
4. It is further agreed and understood by myself that the amount of waste material to be hauled and dumped on my property will depend upon the availability of the same and that at no time will the Town agents or employees be expected to select the type or kind of waste material to be placed on my property.
5. I further agree to accept said waste material at no cost to myself, and will not offer or give any money or compensation to the said Town officers, employees, or agents, or to any private truck owner or operator working for the Town, in payment of said waste material.

The above conditions have been read by me and are clearly understood, accepted, and agreed to.
