

American Red Cross
Maine

FREE Smoke Alarms & Fire Prevention Education Saturday, October 22nd, 2016

Your local fire department is teaming up with the American Red Cross of Maine to help keep you and your family safe. On Saturday October 22nd, we will be providing **FREE** smoke alarms; free alarm inspections; free replacement batteries and reviewing home fire safety education and family evacuation plans to residents of Sagadahoc County.

Sign-up today and help spread the word!

- FREE Smoke Alarms Installed
- FREE Alarm Inspections
- FREE Replacement Batteries
- FREE Home Fire Safety Education
- FREE Family Evacuation Planning

To sign-up for your free in-home inspection, installation and/or fire safety education appointment, contact the American Red Cross by visiting us online at www.redcross.org/me/ and click the link for "Home Fire Preparedness Campaign" on the left-hand menu. You may also email us at: firesafety4me@redcross.org or call and leave a message on our firesafety4ME voicemail: 207-874-1192 Ext 113.

All inspections, installations and education will be provided by locally trained volunteers from the Sagadahoc County area. If you are interested in helping us on this one day installation event, contact Larry French at larry.french@redcross.org or 207-735-1650. Training provided.
