

Energy Committee Meeting
Tuesday, December 28, 2021
Via Zoom @ 4:30 pm

Roll Call - NW, JC, VL, JB, JE, YM present for members and Rod for staff

Vote on October and November 2021 meeting notes:

Victor motioned to approve

John Seconded

All in favor

Invitation for public comment

Old Business

1. Update on LED RFQ - Rod or Mark will update the Committee as soon as they are able
2. Discussion on UMaine proposals -
Nancy Chandler joined
 - a. [Community Solar Options](#) added cost comparison of solar subscription vs owning comparison to proposal and graphic representation of solar farm subscription allocates yearly consumption. Also add solar production vs electric consumption. If allocation is done right, credits will be banked in the summer and used in the winter. What a typical year of solar credits vs consumption looks like.
 - b. Electric Vehicles - to look at reducing emissions of the town's fleet.
3. Education Webinar Series
 - a. Beneficial Electrification (PACE and Efficiency Maine loans and rebates).
Personal experiences - NW, VL, NC to present "quality 5-minute presentation"
Efficiency Maine. 2nd or 9th of February
 - b. Maine's Energy Utility

New Business

4. Update on the [Community Resiliency Grant](#) Opportunities
 - a. Here is a [list of qualified projects](#) requiring no match (deadline 3/22)
 - b. Resolution [language examples](#) the town needs to pass (Yvette to email Darek and SB about the opportunity and ask to get on agenda, and suggest language for SB to pass)
 - c. Here is the [self-assessment](#) we need to undertake
 - i. Rod will help with self-assessment. Jenn offered to help.
 - d. Scheduling the public meeting
 - i. Nancy willing to work with SB on scope of work. Some discussion on what is required of this step. Yvette to work with Rod on requirement of "Public Meeting"
 - e. First grant application due 3/22 or 9/20

Victor made a motion to adjourn the meeting at 5:30

John seconded

All in favor

Meeting adjourned.
