June 23rd Plan Review
Streets for People

1. Prioritize Streets for People
   - Safer streets for driving.
   - Safer streets for biking.
   - More sidewalks for walking.
   - Keep Topsham green and lush.
   - Keep 196 as a traffic-prioritized street. Tame 196 enough to cross it.

At 196 is meant to move traffic

Slow cars down! Open roads for bikers, pedestrians.

Choose-calm traffic on streets that are prioritized for people.

TRAFFIC "CALMING"
-Annoys me.
Some roads need to move traffic.
