Dear Larry:

On behalf of the Town of Topsham, I write to thank you for lengthy and effective service as a member of the Topsham Development, Inc. board of directors, where you have served since January 2014.

Your TDI board colleagues have respected and benefitted your expertise and insight on economic development issues, established in your career as a workforce development executive in a diverse array of organizations and locations – literally spanning the continent.

The community also appreciates your exceptional generosity in volunteering your services for the benefit of Topsham. In addition to your key contributions as a Topsham Development, Inc director, you have served as the chair of both the Topsham Public Library Board of Trustees, and the Comprehensive Plan Update Committee, guiding both boards through very demanding, pivotal and successful efforts. Your commitment extended to continuing to support the Comprehensive Plan process as a member of the Comp Plan Implementation Committee, and you served broader community development as member of the Topsham Community Fund.

This graciously contributed expertise and effort illustrates your obvious commitment to bettering our community – for which we are most grateful.

Sincerely,
