Start Time: 4:00PM (Zoom invite to be provided)

Attendees: Susan Rae-Reeves, Larry Fitch, Rick Schultz, John Dorrer, Raija Suomela, Joe Feeley, Angela Twitchell, Rod Melanson, Andrew Deci, John Shattuck

I. Welcome

II. Zoning

Discuss generally - Andrew, Rod, and Larry - their impression of the proposals that came in, what was expectation. People who volunteered will stay after this month's CPIC meeting to talk about the proposals in more detail.

III. Complete Streets Policy

Andrew provided update, plan to present the policy in a workshop April 1, get feedback, present for policy approval April 15. Looking for people interested in looking at the materials Andrew is gathering - Show of hands, Andrew will send info out by email.

There will be a workshop on April 1st - presentation on complete streets (missed details - workshop with who). ~5-6 min powerpoint.

IV. CPIC Work Plan

Keep eye on this. Keep planning and meeting with departments. We'll put this on the agenda for the May meeting - status update, how it's going.

V. Admin discussion and items upcoming

Meeting notes - Raija will capture notes for CPIC - informal notes during CPIC worksession / monthly meetings. Formal decision-making meetings that require input from the public will have a secretary for those sessions. These will be accessible to all through the google drive folders

The meeting ended at 4:30pm for conversation about the proposals for the Zoning Update Project.
