For Non-Committee Member Meeting Attendees

Members of the public are welcome to attend meetings of the Comprehensive Plan Implementation Committee. These working meetings are open to the public, although they are not public hearings as such. We have included a public comment time on the agenda and welcome your input. In addition to commenting at CPIC monthly meetings, comments can be submitted to the Planning Office for subsequent distribution to Committee members. There will be ample opportunity for public input and discussion at other meetings as we move forward with implementation of the plan.
