

Topsham: Pleasant Point Rd Resident Survey

**The Town of Topsham is beginning a project looking at interventions for erosion and flooding along Pleasant Point Road. Responses to this survey will inform the scope of the project and assist with external funding proposals.**

1. Full name (optional)

2. Street address (optional)

3. Preferred contact email and/or phone number (optional)

4. Age (optional)

- Under 18
- 19-65
- 65+
- Prefer not to answer

5. How many people currently live in your household? (household is defined by the U.S. Census Bureau as all the people who occupy a single housing unit, regardless of their relationship to one another)

\* 6. How many school-aged children live in your household?

\* 7. Which best describes your relationship to this project:

- I own and live in my residence year-round on Pleasant Point Rd
- I own and live in my residence seasonally on Pleasant Point Rd
- I am a renter (seasonally or year-round) on Pleasant Point Rd
- I own undeveloped land on Pleasant Point Rd
- Other (please specify)

\* 12. Approximately how frequently does roadway flooding inconvenience you:

- Frequently (5 or more times per year)
- Regularly (2-4 times per year)
- Occasionally (1-2 times every couple of years)
- Rarely (fewer than 1-2 times every couple of years)
- Never
- I don't know

\* 13. Are there certain times of the year where flooding and/or erosion is more likely to occur? Please elaborate. If you are uncertain, you may write "I don't know."

14. Any additional comments, considerations, or concerns for the town regarding this project?
