

# Site Walk of the Topsham Fair Mall Stream

Did you know a 1.4 mile tributary stream to the Androscoggin River runs through the Topsham Fair Mall? Join us on a tour to visit various sites along the stream and learn about the existing water quality challenges as well as opportunities for implementing green infrastructure. These initiatives aim to enhance climate resilience and improve water quality in the area.

Scan this QR code to read more about our efforts to make the Topsham Fair Mall more sustainable!

## August 17 4PM - 5:30PM
